

Elessence Video Tours Tutorial

1. Lift up candles out of the candle holders. At the bottom of each candle locate the OFF/ON switch. Move each switch to the far right to "TIMER". The candle will stay on for 5 hours and will automatically turn itself off.

2. Turn on "Samsung" SOUNDBAR remote (small remote with few buttons) by pressing the **RED** button. Adjust volume levels with this remote once video is playing.

3. Turn on "SAMSUNG" TV remote with **RED** button.

- Ignore the "Weak or No Signal" message
- Immediately press the 'SOURCE' button
- Use the 'ARROW' buttons and scroll to "USB Flash Drive (2)"
- Press the 'SELECT' button to select this drive
- Use the 'ARROW' buttons again to locate the appropriate version

for your tour group.

- | | |
|---------------------------------|---------------------------------|
| a) English - no subtitles | b) English - English subtitles |
| c) English - Chinese subtitles | d) Mandarin - no subtitles |
| e) Mandarin - English subtitles | f) Mandarin - Chinese subtitles |
| g) French - no subtitles | h) French - English subtitles |

Press 'SELECT' button to select the version you wish to play

4. Invite your tour group into the theatre. ****Note**** The Video will run on the opening still frame for 1:05 before the film actually starts giving your participants time to enter into the theatre.

5. Once the video has played. Press the 'POWER' buttons on each remote to power off.
